# Team and Tournament Structure

1. Players are allowed to represent one open mixed team only in the tournament; the transfer of players between open mixed teams is not allowed during the tournament. A maximum of four FNZCS registered players are allowed to represent each open mixed team.
2. Team lists are to be provided before the first game on June 10<sup>th</sup>.
3. Players for the open mixed grade and FNZCS group must be a minimum of 15 years old on the date of the tournament.
4. Open grade game structure:
  - Round-robin games of 2×12 minutes, and will be entirely non-effective time.
  - Teams will receive 3 points for a win, and 1 point for a draw.
  - In the event of a draw in the play-off games extra time of 5 minutes will be played as non-effective time. Extra time is “golden goal”, where the first team to score is deemed the winner. A penalty shoot-out will take place if the scores are equal at the end of extra time.
5. Each nominated team has the responsibility to provide at least 2 referees and 1 other official (match recording duty) for the tournament. This will be discussed with the team contact prior to the tournament.
